

# Wattayah Cultural Centre, Muscat, Oman

## Summary of Relevant Projects *International*

**Above** Cultural Centre Site Plan  
**Right** Elevation of Tower Restaurant

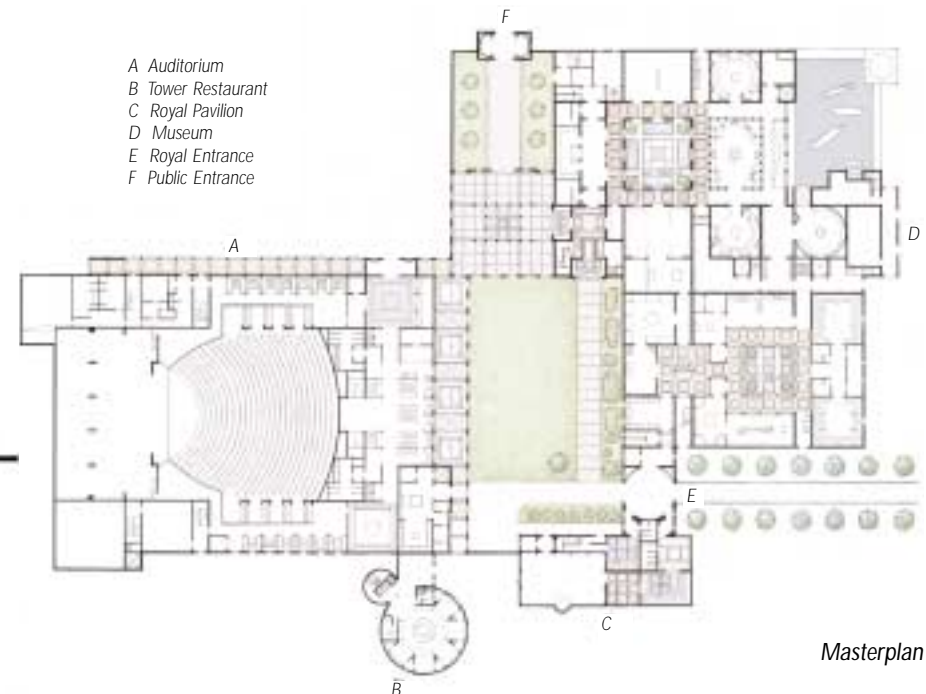

At the invitation of the Ministry of Heritage in Oman, Higgins Gardner and Partners prepared a scheme design for a new Cultural Centre comprising a major museum with natural history and historical galleries, a planetarium, 1,500 seat auditorium, royal mosque and tower restaurant, with associated landscaping and infrastructure.

Arranged to enable a phased construction of the Centre, the design makes use of traditional Islamic planning and indigenous craftsmanship.
